Crown Point News

Happenings of a Day in Lake County's Lively Capital

John H. Luther, who has spent the winter and spring in the west, is expected home in a few days, according to letters received by Crown Point relatives from him.

Mrs. Lou Baker of Whiting, is spending a few days this week with her parents, Mr. and Mrs. Wm. Linton.

Miss Norma Bartholomae is entertaining Miss Ralie Roberts of Chicago, for a few days this week.

It is reported that former Supt. N. S. Painter is to be married during the summer. The name of the lady in question we are unable to obtain.

The Ladies' society of the Catholic church entertained a large party at cards on Wednesday evening. The proceeds of the affair will be used in equipping the kitchen of the school house, recently erected.

Miss Fern Nichols has returned from a pleasant trip to Hebron where she was the guest of Miss Margaret Nichols.

Mrs. George Lets has issued invita-

tions to a card party on Saturday evening, in honor of her sister-in-law, Mrs. Harry Newton.

Miss Jennie Handley, who has been spending a couple of months at the home of Herman Claussen in Palmer, Ind., has returned to her home in Crown Point.

The final performance of "The Tyrolean Queen" was given at Lowell last night and that town responded nobly by patronizing the local attraction. The participants acquitted themselves creditably, and Crown Point may well feel proud to send their home talent productions to the nearby cities. The local Red Cross will benefit by the affair to the tune of about \$150.

The condition of little Robert Kramer, the three-year old son of Mr. and Mrs. George Kramer, who has been very sick with pluriy, remains unchanged, and the physicians in attendance hold out small hopes for his recovery.

George Schaaf of Hammond, visited the courthouse on business today.

cause of the little one's disappearance. The police today announced that John Beda, wanted for information he may have concerning the child's disappearance, is under arrest. It is said Beda disappeared from home last Friday after he was divorced from his wife.

GARY NETS MANY MORE SLACKERS

GARY POLES THREATEN KIDNAPER
Promise Vengeance if Abductors of Little Girl Are Found.

Developments in the mystery surrounding the disappearance of six-year-old Mary Boguslawski, believed to have been kidnaped in Gary last Friday evening, include the announcement by the police that they have under arrest one suspect, John Beda, and word from the Polish quarter that residents there will inflict summary vengeance on the kidnaper or kidnappers if found.

Parents Frantic.
Peter Boguslawski, father of the missing child, today called upon Mayor Johnson to ask that extra police be detailed in the search for his girl. From his meagre earnings Boguslawski has offered \$100 reward for the recovery of the girl. The child's mother is ill because of the loss.

"TAY PAY" HERE TO BOOST IRISH CAUSE

T. P. O'Connor.

Thomas Powers O'Connor ("Tay Pay"), leader of the Irish Nationalist party and member of parliament, has arrived in this country to lay the present situation in Ireland before the Irish people of America. "The opinion of this democratic republic remains the most potent factor in working out the liberation of Ireland as well as the freedom of all other nationalities in the world," he declared on his arrival in New York

places, Aug. 20, the court was disposed to be lenient.

The injunction he issued, preventing women from registering, could not be changed, as the case is now in the supreme court on appeal. Judge Thornton told the election commissioners, however, they could interpret his order liberally, if they chose, and if it was their interpretation that women could register under the order, there would be no objection. Judge Thornton assured them no contempt proceedings would be brought if women were allowed to register. Mr. Roller and Mr. Chamberlain announced immediately that women who desire to register will be accommodated.

No Harm to Arise From Registrations.
It was pointed out that no harm will arise from the registrations. If the supreme court overrules Judge Thornton and allows women to participate in the election of delegates, much time will be saved. If it sustains Judge Thornton the registrations simply will be of no effect.

Suffragists now will take up their plans for a "registration drive," which were interfered with when the court issued his injunction. Instead of adopting the new plan they had decided on, of allowing women to make registration affidavits before notaries, in order that they might be filed in bunches if the supreme court overruled Judge Thornton, they can now appear personally before the registration boards.

Judge Thornton's attitude affects the entire state, since all county clerks and registration boards in the state were made defendants in Mr. Bennett's suit.

QUEEN MARY AND LLOYD GEORGE'S DAUGHTER VISIT WAR BABIES

Queen Mary (above) and Miss Lloyd George with the war babies.

Queen Mary despite the many demands on her time finds opportunity to pay visits to hospitals and nurseries where little ones are cared for while their parents fight at the front and toil in nearby munitions factories. This photo of her was taken on the occasion of her recent visit to Woolwich arsenal.

At the same munitions factory Miss Lloyd George, daughter of Great Britain's premier, is regularly employed as a nurse in the nursery for munitions workers' babies.
